VOLUNTEERS NEEDED!

Do you or does someone you know suffer from PAIN? If so, you may be able to contribute to a research project that seeks to establish a statewide pain registry in Maine. We are currently looking for people who suffer from pain who are willing to fill out a survey.

TOPARTICIPATE OR FMI

Scan the QR code or go to **https://redcap.link/PainRegistryforME** to access the survey.

Potential participants can also email to Dr. Ling Cao, PainRegistryforME@une.edu FMI.

You are eligible for this research project, if you:

are at least 18 years old; are a Maine resident or currently living in Maine; suffer from persistent
