The Benefits of Payroll Deduction:

You can purchase your personal insurance just as you do any other benefit, through your employer. While you gain group benefits, you will have your own policy with rates based on your lifestyle and personal driving experience.

Payroll Deduction:

Makes premium payment easy. There are no finance or installment charges added to payroll deducted policies. If your homeowners premium is held in escrow, Patriot can payroll deduct all other coverages and bill the mortgage company directly for your homeowners. Confidentiality is assured. All policy information remains
